Who We Are & Our Legacy

A Proven Partnership in Progress

- BL Diagnostic Consultants is the sister concern of Botlif Life Sciences Private Ltd., a trusted leader that has successfully launched over 50 franchise units (Clinics, Pharmacies, and Blood Collection Centers) across India in just four years.
- We bring that proven model, market knowledge, and operational efficiency directly to your new venture.

Why Choose BL Diagnostic Consultants?

- Established Success: Built on Botlif's robust, franchise-ready framework.
- Comprehensive Support: We guide you from concept to full operation.
- Rapid Setup: Streamlining complex regulatory and operational processes.
- Staffing Solutions: Direct support in appointing qualified medical professionals.
